

AMENDMENTS TO THE SPECIFICATION:

Please amend the title of the invention appearing on Page 1 as follows:

DELIVERY AND RECOVERY SYSTEMS HAVING STEERABILITY
AND RAPID EXCHANGE OPERATING MODES FOR THE EMBOLIC
PROTECTION SYSTEM SYSTEMS

Please amend the paragraph appearing on Page 11, lines 6-8 as follows:

FIG. 18 is a similar view of the third form of the recovery version of the first embodiment seen in FIG. ~~[[16]]~~ 17, with the embolic protection device captured in the expanded tip of the recovery catheter.
